

Blue Chip

Business Opportunity

BLUECHIP SHORT TERM INSURANCE

Bluechip has entered into an agreement with Stephen Small and Associates, whereby BlueChip members who use Stephen Small and Associates as their short-term insurance broker, and refer others to Stephen Small and Associates for the same reason, will receive a referral rebate on a monthly basis.

THE BLUECHIP BUSINESS OPPORTUNITY

The agreement between Bluechip and Stephen Small and Associates now places you in a position to make money from your short-term policy **without any additional cost** - our way of saying thank you for doing business with us.

In time this monthly income could cover the cost of your policy, and could even start paying you the monthly equivalent of a salary. It all depends on how many of your referrals place their short-term business through Network Brokers. Let's see what could happen when your referrals start referring this opportunity to their friends and associates.

THE INCOME POTENTIAL

Assumption:

The commission that a broker receives from the insurance company (for administering your policy) is on average 15% of the monthly premium, plus a policy fee.

Take the following as an example:

Monthly premium on short-term policy	= R 500.00
Brokers commission @ 15%	= R 75.00
Less fixed admin fee 40%	= <u>R 30.00</u>
This will go towards network	= R 45-00

The income potential is as follows:

Assumption: R45.00 towards network

Level	% of commission	No. of referrals
1	10%	3
2	10%	9
3	10%	27
4	10%	81
5	10%	243
6	10%	729
7	20%	2,187
Income approx R 24 597 per month		

No limit on how wide you can go on each level.

HOW TO JOIN AND GET STARTED.

- Ask upline or introducer for application form
- Complete the application and fax to **086 608 0868**

Existing BlueChip member

- Sign in and go to SERVICES
- Print and complete Broker's note
- Fax completed application to **086 608 0868**
